

About Sage MIP Fund Accounting

Sage MIP Fund Accounting software is the preferred nonprofit financial management solution used to plan and manage budgets, maximize grants, and produce accurate customized reports in minutes. Sage MIP Fund Accounting software addresses the specific nonprofit financial management needs of organizations that need to track and report on multiple funds across multiple budget periods to meet their reporting requirements and demonstrate accountability.

Sage MIP Fund Accounting is the award-winning nonprofit accounting software that allows you to:

- Cut hours or days off of your reporting cycle. Create the reports you need within the system, instead of manipulating data with external spreadsheets or fighting with complex, external report-writing tools.
- Customize the chart of accounts to access data quickly and easily for more efficient tracking and reporting.
- Automate transaction entry with a variety of tools including memorized and recurring transactions, preset distributions, and entry defaults, to boost productivity and reduce errors.
- Use the dynamic Drill-down Analyzer to review the individual transactions that make up the balances on reports.
- Make it easy for auditors to verify the accuracy of financial statements by maintaining a clear audit trail.

Built-in, Flexible Reporting

Nonprofits can't afford to jeopardize crucial funding by failing to deliver on the stringent reporting requirements of funding sources and government agencies. This nonprofit accounting software provides a flexible, built-in report writer that helps you easily create reports to meet the varying requirements of funding sources, internal management, and your board.

- Produce a wide selection of standard nonprofit financial management reports, such as FASB-compliant, audit-ready financial statements.
- Report on multiple fiscal years in the same report or create custom reports that cross fiscal years.
- Format custom reports to your exact specifications.
- Write dynamic financial statements directly in the application, without the help of a programmer or consultant.
- Create your own report templates. Set up an unlimited number of financial statements, preview them onscreen, and save them for future use.
- Produce 990 worksheets to assist in the compilation of your annual federal form 990.

A Comprehensive Easy-to-Use System That Puts You in Control

An intuitive navigator interface makes Sage MIP Fund Accounting software the nonprofit accounting solution that's easy to learn and use. Application tasks and reports are grouped by accounting function, including easy-to-understand workflow diagrams and checklists. Customize your nonprofit financial management system to fit your work habits and your mission—not the other way around.
