

Sage Abra HRMS

When it comes to time and cost-saving HR solutions, only Sage Abra HRMS offers the flexibility to choose the combination of software that meets your unique business needs. Sage Abra increases efficiency in every aspect of HR administration—HR, benefits, employee self-service, attendance, recruiting, and training. It includes support for companies in both the U.S. and Canada, and can even support companies with employees in both countries.

Sage Abra replaces paper-based, time-consuming, and error-prone HR methods, and is modular so you can customize the solution according to your needs, desired level of automation, and budget. Along with a comprehensive set of HR, benefits, recruiting, and training features, Sage Abra HRMS also includes Web-based employee self-service, benefits enrollment, and workflow features to keep your workforce connected at all times. It also comes complete with powerful reporting and analysis tools, including Crystal Report Writer, to manage your critical business information.

If you're ready to lower costs, reduce administrative time, and empower your employees, then Sage Abra is a perfect solution. With Sage Abra, the free flow of information between employees, supervisors, managers, and administrators saves time and money. Backed by superior customer support, Sage Abra HRMS provides unparalleled technical expertise, tax and legislative updates, and product enhancements that ensure your ongoing success. Now you have the flexibility to choose the solution that fulfills the unique needs of your business.

From developing innovative products to providing award-winning customer support, Sage Software is dedicated to surpassing your expectations.
